Notă introductivă

Decese în exces – de ce nu se discută acest lucru în mass-media de masă? De ce nu este aceasta agendă de top în Congres sau Parlament?

Compilarea de articole relevante de cercetare globală care se concentrează pe **mai multe cauze care stau la baza deceselor în exces** a fost publicată pentru prima dată de [Dr. Paul Craig Roberts](#) .

Scurte extrase din aceste articole au fost apoi pregătite de Global Research, urmate de producția video a lui John Campbell.

Mulțumirile noastre către [Dr. Paul Craig Roberts](#) și [Dr. John Campbell](#).

Michel Chossudovsky. Cercetare globală, 2 ianuarie 2024

1. Pericol 5G: 13 motive pentru care tehnologia wireless 5G va fi o catastrofă pentru umanitate, vezi [asta](#) .

Pericolul 5G nu poate fi exagerat.

5G (generația a 5-a) este acum implementată în mod activ în multe orașe din întreaga lume. Simultan, pe măsură ce gradul de conștientizare asupra impactului său oribil asupra sănătății și confidențialității este în creștere, multe locuri emit moratorii asupra acestuia sau îl interzic, cum ar fi întreaga națiune a Belgiei, cantonul Vaud (Elveția) și San Francisco (SUA). Radiațiile de radiofrecvență (RF sau RFR) și câmpurile electromagnetice (EMF) sunt din ce în ce mai recunoscute ca noi tipuri de poluare – poluarea mediului. **Iată 13 motive care expun pericolul 5G, care s-ar putea transforma într-o catastrofă neatenuată a sănătății și a confidențialității dacă destui oameni nu se ridică pentru a o opri.**

De [Makia Freeman](#)

2. Depopularea: The New York Times prezice o reducere masivă a populației, vezi [asta](#) .

„Mai puține plânsete ale bebelușilor.

Mai multe case abandonate.

Toward the middle of this century, as deaths start to exceed births, changes will come that are hard to fathom.”

Long Slide Looms for World Population, With Sweeping Ramifications

Fewer babies' cries. More abandoned homes. Toward the middle of this century, as deaths start to exceed births, changes will come that are hard to fathom.

Screenshot of the NYT article

"All over the world, countries are confronting population stagnation and a fertility bust, a dizzying reversal unmatched in recorded history that will make first-birthday parties a rarer sight than funerals, and empty homes a common eyesore."

And it continues,

"Maternity wards are already shutting down in Italy. Ghost cities are appearing in northeastern China. Universities in South Korea can't find enough students, and in Germany, hundreds of thousands of properties have been razed, with the land turned into parks."

Is it all true? It remains to be verified. Omission?

At no time does the article mention the eugenist nature of deliberate population reduction, in connection with the covid plandemic, the coerced and by many accounts poisonous – vaccination campaign, with a non-vaccine, but instead a novel, totally untested mRNA-type "gene therapy" which the US CDC has allowed to be applied as an "emergency measure" in these dire circumstances of a pandemic, that actually lacks all characteristics of a pandemic, but has to be pumped up to make it appear as a pandemic – with literally almost all deaths appearing from whatever causes – even car accidents – can be – and "must" be categorized as covid deaths.

By [Peter Koenig](#)

3. Bill Gates Plans for New Catastrophic Contagion, see [this](#).

"October 23, 2022, Gates, Johns Hopkins and the World Health Organization cohosted "a global challenge exercise" dubbed "Catastrophic Contagion,"^{3,4} **involving a novel (and as of now fictional) pathogen called "severe epidemic enterovirus respiratory syndrome 2025" or SEERS-25 for short.**

Enterovirus D68⁵ is typically associated with cold and flu-like illness in infants, children and teens. In rare cases, it's also been known to cause viral meningitis and acute flaccid myelitis, a neurological condition resulting in muscle weakness and loss of reflexes in one or more extremities.

Enteroviruses A71 and A6 are known to cause hand, foot and mouth disease,⁶ while poliovirus, the prototypical enterovirus, causes polio (poliomyelitis), a potentially life-threatening type of paralysis that primarily affects children under age 5. So, the virus they modeled in this simulation appears to be something similar to enterovirus D68, but worse.

Training African Leaders to Go Along With the Narrative

Tellingly, the Catastrophic Contagion exercise focused on getting leadership in African countries involved and trained in following the script. Participants included 10 current and former Health Ministers and senior public health officials from Senegal, Rwanda, Nigeria, Angola, Liberia, Singapore, India and Germany, as well as Gates himself."

By [Dr. Joseph Mercola](#)

4. Israel's Expertise in Pacifying the Palestinians Is in High Demand by Capitalist Elites as Populations Around the World Grow Restive, see [this](#).

"As the world watches in horror Israel's military assault on the people of Gaza, people are left to wonder why world leaders are not doing more to censure Israel and are allowing Israel to get away with mass killing.

Jeff Halper, an American-Israeli anthropologist who has written numerous books on Israeli history, has a clear answer.

He says that leaders of countries around the world are feeling more insecure as wealth is increasingly concentrated in the hands of a tiny capitalist elite and popular disaffection and the threat of rebellion grows.

Israel is revered precisely for its mastery of population-control techniques against the Palestinians, which many leaders want to emulate against dissident or minority groups within their own borders.

Part of Israel's ace in the hole, according to Halper, is its development of a formidable weapons industry that allows it to supply high-tech weapons to countries around the world for the purpose of population control.

Israel is at the cutting edge in the development of surveillance satellites, weaponized and surveillance drones, Artificial Intelligence (AI) target identification systems, spyware gadgets and crowd control and cyberwarfare technologies, which it sells around the world.”

By [Jeremy Kuzmarov](#)

5. The WHO Plans to Have 10 Years of Pandemics (2020-2030), see [this](#).

“THE PLAN shows the official agenda of the World Health Organization to have ten years of ongoing pandemics, from 2020 to 2030.

This is revealed by a WHO virologist, Marion Koopmans. You will also see shocking evidence that the first pandemic was planned and abundantly announced right before it happened.

Make sure to watch, and share this everywhere.

More information, and to see all the documents in THE PLAN, go to: <https://www.stopworldcontrol.com/proof>

Video: The Plan

THE PLAN - WHO plans for 10 years of pandemics, from 2020 to 2030

“A group of almost **one thousand medical doctors** in Germany called ‘Doctors for Information’, which is supported by more than **7,000 professionals** including attorneys, scientists, teachers etc., made a shocking statement during a national press conference: (1)

‘The Corona panic is a play. It’s a scam. A swindle. It’s high time we understood that we’re in the midst of a global crime.’

This large group of medical experts publishes a newspaper with circulation of **500,000 copies every week**, to alert the public about the misinformation in the mainstream media about the coronavirus.”

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. —Edward Curtin

ISBN: 978-0-9879389-3-0, Year: 2022, PDF Ebook, Pages: 164, 15 Chapters
